FieraMilano Rho Fairgrounds
November 10-13, 2020
Biennial world exhibition for
woodworking technology and furniture supplies

Assago, April 14, 2020

XYLEXPO 2020, new dates fixed: 10-13 November

This is the decision made by the Board of Directors of Cepra, the operating arm of Acimall, the Italian woodworking technology association, owners of the exhibition. So, the event will move away from the traditional date in May, due to the disruption caused by the Covid-19 pandemic across the entire planet.

“This is going to be a very different edition from those we have been used to, but it will allow the entire supply chain to meet again and look ahead, after missing a key event for wood and furniture technology”, said president Lorenzo Primultini.
