for woodworking  
technology and components  
for the furniture industry

**A SHOW THAT HAS BEEN  
RUNNING FOR 52 YEARS**

First woodworking and furniture technologies exhibition on even years.

**The entire woodworking industry is meeting in Milan.**

First stage wood processing, solid wood and panel processing, composite materials, finishing, tools, accessories, paints, hardware and semi-finished products for the furniture industry: 400 exhibitors ready to welcome visitors from all around the globe.

4 days

400 exhibitors

37.000 visitors  
from all around the world

## MUST SEE

Xylexpo is renowned as a long-standing exhibition, it is impressive for the quality of its exhibitors' innovative offer and for the number of technologies in operation during the fair.

Visitors experience **cutting edge digital processing, all the latest in terms of machinery and materials**, created for joineries and for furniture industries in need of maximising efficiency and productivity in their companies. Don't miss it on [xylexpo.com](http://xylexpo.com)

### Not just machinery and tools

With one trip to Milan, visitors will find out all the latest in the woodworking business, meeting **experts on software and semi-finished products, suppliers of hardware, paints, solvents and glues**. An easy itinerary around the halls, will help you not to miss interesting parts of the show. If you would like to plan ahead your visit, see the exhibitor's catalogue on [xylexpo.com](http://xylexpo.com)

### Focus Components

Xylexpo is back again as a great stage for components **producers meeting customers**. One of the 2020 highlights is **Focus Components** with an exclusive area for panels and semi-processed parts suppliers. Find out more at [xylexpo.com/en/area-focus-components-en](http://xylexpo.com/en/area-focus-components-en)

### Xylexpo in the world

**There are 50 Xylexpo offices in the world for you** providing assistance and information on the exhibition in your country and language. Find your nearest office at [xylexpo.com/visit](http://xylexpo.com/visit)

## MILANO, HEART OF DESIGN

Milan is renowned for its outstanding design and architecture, and it offers visitors an experience of Italian art and culture, cuisine and lifestyle.
